The weather was very fine
 and the wind was light
 and the sea was calm
 and the sun was shining
 and the birds were singing
 and the flowers were in bloom
 and the children were playing
 and the old people were sitting
 and the young people were dancing
 and the whole world was happy
 and the year was a good one
 and the people were content
 and the world was at peace
 and the year was a good one
 and the people were content
 and the world was at peace
